2020/76 Planning Appeal application
A long discussion took place regarding whether the Council wished to proceed as a Rule 6 party in the appeal case. Council considered the confidential report prepared by Deirdre Wells of Red Kite Consultancy and allowed the two members of the public at the meeting to speak to provide their knowledge of the case and the Planning Inquiry process as a whole. Tom Duckham confirmed he would be willing to present the statement of behalf of the Parish Council if he felt it was robust enough.

After discussion considering whether the possible new evidence that could be provided would make a strong enough case to present a Rule 6 Case at the Inquiry, it was agreed unanimously and

RESOLVED that the Parish Council proceed by way of requesting to speak as an interested party at the appeal and not proceed as a Rule 6 party.

Here Councillor Butler left the meeting

The clerk is to speak to Deirdre Wells to confirm this and ask if she would be prepared to help with the statement for the enquiry and obtain a quotation for the same. The clerk to confirm to the Planning Inspectorate that the Council do not wish to submit a case as a Rule(6) party.
